Projects

06/2025 – 06/2025	Personal Portfolio Website 🔗 <i>skill enhancement</i> Designed and developed a portfolio website using only HTML, CSS, JavaScript, to showcase my projects, skills, certifications, and resume. Integrated GitHub project links here.
01/2025 – 03/2025	Full stack E-commerce website <i>Final year College Project</i> This project is a full-stack eCommerce website developed using PHP for the backend and MySQL as the database. It provides a complete online shopping experience for users, including product browsing, cart management, secure user login, and order processing. The admin panel allows product management, order tracking, and user control functionalities.

get to know me

A Result-Oriented Web Developer.

I'm a **Frontend Focused Web Developer** building and managing the Front-end of Websites and Web Applications that leads to the success of the overall product. Check out some of my work in the **Projects** section.

I also like sharing content related to the stuff that I have learned over the years in **Web Development** so it can help other people of the Dev Community. Feel free to Connect or Follow me on my **Linkedin** [🔗](#) and **Instagram** [🔗](#) where I post useful content related to Web Development and Programming

I'm open to Job opportunities where I can contribute, learn and grow. If you have a good opportunity that matches my skills and experience then don't hesitate to contact me.
